**RE: Recall Notice**

This notice is to inform you that items you **may** have purchased have been recalled by the manufacturer. This is due to the possible presence of undeclared peanuts and some tree nuts, including almonds, Brazil nuts, cashews, hazelnuts, macadamia nuts, pecans, walnuts and coconuts. This is a precautionary safety step for people who are allergic to peanuts and the listed tree nuts. People with an allergy to peanuts and the listed tree nuts run the risk of a serious or life threatening allergic reaction. Please do not sell and remove all affected product from your stores shelves. The manufacturer is strongly advising consumers who have peanut and these tree nut allergies not to consume these bars.

It is HLA's policy to accept returns and issue credit for the products with the identified UPC Codes and dating listed below. HLA will **not** provide credit for those products that are not recalled. In order to receive credit, the following must occur:

- The product was purchased from HLA.
- The product must be boxed separately from all other returns and labeled "Recalled Product".
- The product must be listed below and contain the dating listed. If the product does not match, it will not be accepted and credit will not be given.
- The potentially contaminated product must be returned to HLA within the normal ordering cycle, not to exceed 14 business days from the date listed on this letter. No exceptions will be provided.

Please check the specific Manufacturers' websites for a complete list of the recalled product and more information about the recalls.
