

R.J. Reynolds Vapor Company

Dear Valued Customer,

R.J. Reynolds Vapor Company is voluntarily recalling Vuse Vibe power units and has notified the U.S. Food and Drug Administration about this matter. We initiated the safety recall after receiving consumer complaints about malfunctioning batteries which may cause the power unit to overheat and create a fire risk.

If you have a Vuse Vibe, please do the following:

1. STOP using your Vuse Vibe
2. Unscrew the tank from the power unit
3. Do NOT charge your Vuse Vibe power unit
4. To return your Vuse Vibe power unit and receive a refund, please call **1-800-369-8200**

If you have any questions, please visit www.vusevapor.com/Viberecall or call **1-800-369-8200**.

Vuse Solo and Vuse Ciro are not included in this recall.

Thank you for your patience.

The Vuse Vapor Team
